## *Dedication*

To those students of Southwest Mississippi Junior College who have willingly and courageously answered the call to serve our country, we dedicate this 1952 WHISPERING PINES.

In preservation of those ideals which make our school possible, they have gone forth to represent us so that our country may remain the land of the free. To them we offer our humble thanks.

## *President's Message*

I write this message with much pride and satisfaction and a deep sense of appreciation for what Southwest Mississippi Junior College has meant to the students who have come and gone from this institution.

We are grateful to the school men, faculty members, and students of years past for their efforts and for the groundwork that has been laid which has enabled Southwest to take her place among other leading schools of the country.

Also, we appreciate the fine spirit of co-operation received this year from the faculty, student body, board of trustees of Southwest Mississippi Junior College and the public in general. The spirit has been excellent and the memory of my association with the personnel of Southwest for 1951-52 will long be cherished. To those of you who have made it possible for this fine work to continue here, we say thank you.

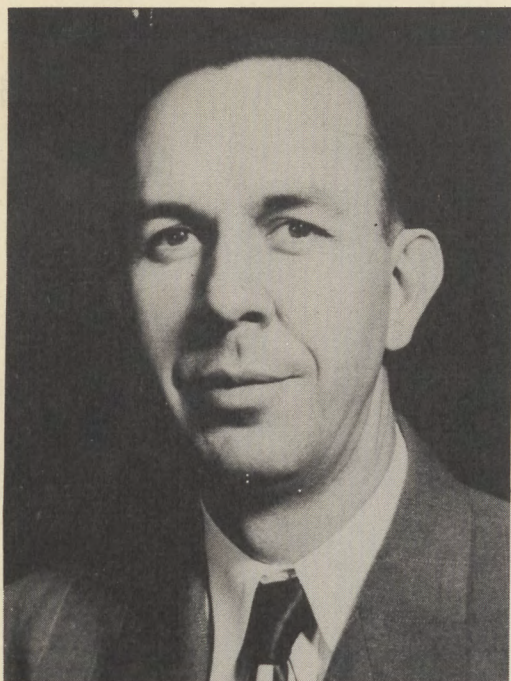

It is very fitting at this time that we congratulate the entire staff of the yearbook with Mrs. J. E. Magee as sponsor and Mr. Hilliard Holland as editor for this fine edition. Other members of the staff have been most co-operative in making this year book what it is. Much planning and a lot of hard work was necessary to accomplish this fine piece of work which is always true of Southwest faculty and students.

To you students who have been in the service of your country and who are in service now, we are privileged to dedicate this year book to you. Our thoughts and prayers for you and your safe return to your loved ones accompany this dedication. We want you to know that we appreciate the contributions you have made and are now making to our country in helping to preserve the freedom which we now enjoy so much.

In closing, let me say that it is a privilege to be at Southwest Mississippi Junior College and to work with the fine group of workers here on the campus and to be associated with this student body. May the words of our Alma Mater "FORWARD EVER BE OUR WATCHWORD, CONQUER AND PREVAIL" be our motto.

# T R A C K

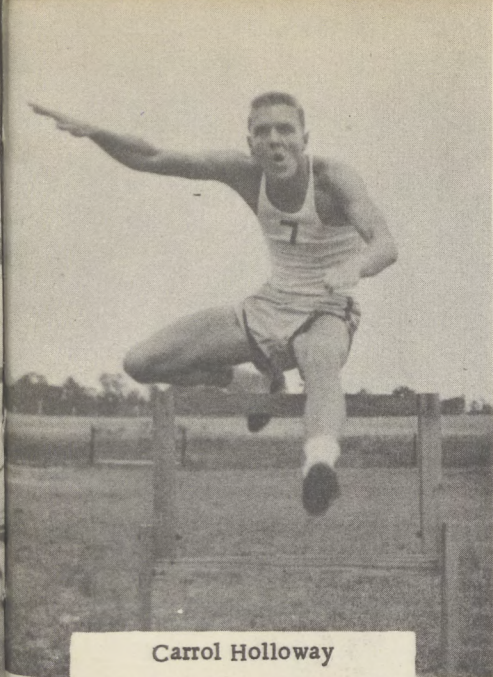

The 1951 Bear Track Team has the distinction of being the first Athletic Team from SWJC to win "State Championship" in any athletic event.

Coached by "Hook" Stone, and without benefit of a track to practice on the Bears turned in a magnificent performance at the State Track Meet held at Perkinson. Everyone deserves praise, but special mention should be made of Carol Holloway, who won first place in the 110 yard High Hurdles, the 220 yard Low Hurdles, and tied for first place in the high jump.

Woodford "Splinter" Burnette won first place in the mile race, second place in the half mile race, and third place in the broad jumps. Walt Andrews won first place in Javelin throw, and James "Sonny" Johnston won the pole Vault.

### THE ART CLUB

Southwest's initial Art Club under the direction of Roy Schultz Jr. with Mrs. J. E. Magee as sponsor, was formulated early in 1951.

This club has done much to stimulate interest in all types of creative work, and the exhibitions which the club has held, have accomplished much in this direction.

Art Club Members for 1951-52 include: Bessie Hammack, Hilliard Holland, Faye Brister, Edith Mulkie, Lavonne Dunnaway, Mary Janice McCarthy, Blanche Monfourt, Bess Dawson, Sadie Jackson, Roger Barrett, Ruth Atkinson, Barbara Harris, Charles Carruth, Lynn Lansing, Joyce Steinecke, Bobby Nell Smith, Joyce Fortenberry.

Other activities bringing this club to the public's eye were field trips to museums, where the students saw various techniques first hand, sketching class and a successful Halloween Party.

## *Official Seal*

of

SOUTHWEST MISSISSIPPI JUNIOR COLLEGE

We, the 1952 WHISPERING PINES staff are proud to give to you in this issue the initial appearance of the official seal of Southwest Mississippi Junior College which was designed this year by our Editor, Hilliard Holland.

This seal has served to tie these pages together just as knowledge, honor, loyalty, courage, and peace will be a connecting link for the hearts and minds of the students who follow us.

In the years to come may this seal, the first in the history of Southwest Mississippi Junior College, remain a symbol never to be forgotten.

## *This Is For You*

With these last words we conclude the 1952 Whispering Pines. We turn this book over to you - - - take it with you to recall the people and activities that filled your year at school. To us, this volume will recall many events; the first staff meeting last fall; trips to the publisher; to the studio for photography; the constant thought of deadlines and the many other emergencies that were met. The climax is that wonderful feeling of a job successfully completed.

We give our highest praises to the dependable assistant Business Manager, Barbara Day; the assistant editor, Ann Craft; the sports editor, Bill Carruth; the school photographer, Ted Atkinson and to all the division editors who have given their best to make this book possible.

This book could not have been produced by the staff alone. The genial support of President C. C. Moore—the cooperation of all students and the faculty—the suggestions of Miss Lona Burns and the hard work and guidance of Mrs. J. E. Magee, have all been major factors in the completion of this annual.

To Mr. Oliver Emmerich, Mr. Leigh Klotz, the faithful advertisers and to the countless others go our sincere thanks. Our heartfelt thanks go to all other staff members who made their contributions to this edition.

In the event errors are found, the editor offers apology to the individuals concerned and asks their indulgence. It has been a pleasure to compile this book, and if it pleases you our fondest hopes have been fulfilled.

HILLIARD HOLLAND, Editor.  
ADDIE THOMPSON, Business Manager.
